

ASSEMBLY INSTRUCTIONS

1. Carefully unpack and identify all parts referring to illustration for parts identification.
2. Turn the power to the installation point OFF.
3. Install one side of the arm (3) onto the hook (2), and the other side onto the hook (4) on the fixture body. Repeat for each arm (3).
4. Use a carabiner to attach the desired length of chain to loop (1). Use a carabiner to attach the other end of the chain to the loop on the canopy. Repeat for the other side.
5. Refer to the additional installation instructions included with the product for wiring and installation.
6. Install proper bulbs (not included) into each socket referring to the markings and/or labels on the fixture for maximum wattage.
7. Restore power to the installation point and retain this sheet for future reference.
