

ASSEMBLY INSTRUCTIONS

1. Carefully unpack and identify all parts referring to illustration for parts identification.
2. Turn the power to the installation point OFF.
3. Install the fixture body (7) on the nipple of the top glass holder (3) using the ball nut (8).
4. Determine the desired height at which the pendant will be installed and select the stems.
5. Thread wire through the stems and attach the first stem to the nipple of the fixture body (7), longest stem first. Repeat process until all required stems are thread together.
6. Refer to the additional installation instructions included with the product for wiring and installation.
7. Install the canopy (1) to the ceiling using the ball nut (2).
8. Install proper bulbs (not included) into each socket referring to the markings and/or labels on the fixture for maximum wattage.
9. Install the glass (4) to the top glass holder (3) and bottom glass holder (9) using the rubber washer (5) and the barrel knob (6).
10. Restore power to the installation point and retain this sheet for future reference.
