

ASSEMBLY INSTRUCTIONS

- 1. Carefully unpack and identify all parts referring to illustrations for parts identification.
- 2. Turn the power to the installation point OFF.
- 3. While threading the wire through, assemble the rods (5) together using the nipples (4). Attach the end of the rods (5) onto the nipple (6).
- 4. Secure the chain loop (3) onto the top of the rods (5).
- 5. Install proper bulbs (not included) into each socket referring to the markings and/or labels on the fixture for maximum wattage.
- 6. Install the glass shades (8) onto the coordinating sockets (7).
- 7. Use the quick link (2) to connect the chain loop (3) to the canopy (1). Twist the locking mechanism to secure.
- 8. Refer to the additional installation instructions included with the product for wiring and installation.
- 9. Restore power to the installation point and retain this sheet for future reference.
