

ASSEMBLY INSTRUCTIONS

1. Carefully unpack and identify all parts referring to illustration for parts identification.
2. Turn the power to the installation point OFF.
3. Place the shade (B) onto the socket of the fixture body (A). Insert the spacer ring (C) into the shade and onto the socket. Secure with socket ring (D) by using the socket ring tool (E).
4. Refer to the additional installation instructions included with the product for wiring and installation.
5. Install proper bulbs (not included) into each socket referring to the markings and/or labels on the fixture for maximum wattage.
6. Restore power to the installation point and retain this sheet for future reference.
